VOICES OF HOPE

Hear how **Ready4Release** helped people achieve their reentry goals of finding with living-wage careers and reconnecting with their communities.

"As I was preparing for my release, I was so worried that people were going to judge me and only see a former felon when they looked at me. I had no idea what I was going to do when I got out. I heard about Ready4Release, so I wrote to Operation New Hope to find out more."

"I got out on a Thursday, was set up with a transitional house, and started the Ready4Work program the following Monday. It was great! I took what I gained from the Ready4Work program and landed two jobs in one week."

"The past is the past. There is a future. There is hope."

- Katie, Ready4Work Graduate, Working at Beaches Recovery

"A few months before I was about to be released, I met these two guys from Operation New Hope's Ready4Release. They kept it real and told me about all the program benefits. I knew I didn't have anywhere to go when I got out, so I enrolled in Ready4Work to get help with housing and finding a job."

"I let the program work for me and it did – it helped me so much! Ready4Work gave me a refuge for a month where I learned good things, was encouraged every day and was surrounded by positive people. They gave me the momentum I needed to succeed on the outside."

- Aaron, Ready4Work Graduate, Working at Miller Electric
